

POLYDIME

PLASTICS

INTEGRATED MANAGEMENT POLICY

Polydime is committed to providing quality and food safety-assured flexible plastic packaging materials to the food and other industries with the support of a competent workforce using modern manufacturing technology.

We ensure that our products are of consistent quality and food safety by emphasizing the specific requirements of the customers. We respect and comply with the legal and other requirements applicable to us.

We are committed to continually improving our quality & food safety management systems through:

- By embracing the changing needs of our customers,
- By enhancing the competence of the workforce,
- By absorbing emerging technologies and
- By using communication as a tool.
